Morning

7:00–8:30

Convention Center • 306

The Women with Disabilities Education Project: Developing a Health Professions Curriculum

This session will:

- Explore the purpose of the Women with Disabilities Education Project
- Review the process by which the project is developing an on-line curriculum
- Discuss the challenges inherent in this approach and brainstorm solutions

Speakers:

Jaye Hefner, MD
Jennifer Potter, MD

7:00–8:30

Convention Center • 604

GEA Northeast Regional Meeting

Speaker:

Steven L. Kanter, MD
Regional Chair

7:00–8:30

Convention Center • 609/610

GEA Central Regional Meeting

Speaker:

Larry D. Gruppen, PhD
Regional Chair

7:00–8:30

Convention Center • 613/614

GEA Southern Regional Meeting

Speaker:

Amy V. Blue, PhD
Regional Chair

7:30–8:30

Convention Center • 605

GEA Western Regional Meeting

Speaker:

Raymond Y. Wong, MD
Regional Chair

8:00–9:30

Convention Center • 206

LCME Part IA Annual Financial Questionnaire (AFQ) Workshop

This session will review the changes and modifications made to the AFQ for the current year; there will be ample time for questions and discussion.

Speaker:

Jay Youngclaus, MS

8:30–9:30

Convention Center • Ballroom 6A/B

Political Spotlight

This session will discuss major themes and trends in national political life.

Speaker:

David Brooks

8:30–1:30

Sheraton • Aspen

GRA Plenary Session I

Smart Legal Approaches to Common GME Challenges

The learning objectives are to:

- Understand fundamental concepts and differences between principals of employment law and academic law
- Understand basic concepts of due process in both the academic and the employment setting
- Demonstrate sound approaches to GME matters through case study

Moderator:

Jamie S. Padmore

Speakers:

Kerry M. Richard, JD

Steve Milam, JD

9:45–10:15

Convention Center • 206

AAMC Benchmarking—Faculty Salary Survey

This session will demonstrate how to access reports on compensation by department and rank as well as by discipline, degree, region, and school type.

Speaker:

Hershel Alexander, PhD

Tuesday, October 31

Closed Session

Additional Registration Fee

Morning

10:00–11:00

Sheraton • Ballroom A

Planning for Class Size Increases: AAMC and LCME roles

Panelists will discuss how their institutions successfully implemented class size increases without compromising educational quality, and ways in which the AAMC and LCME supported those efforts.

Moderator:

Carol A. Aschenbrener, MD

Panelists:

Joanna Bates, MD

Christopher C. Colenda, MD, MPH

Gwen Garrison, PhD

10:00–11:30

Convention Center • 210

Academic Medicine

Theme Issues, Solicited Collections, and Supplements:

How, Why, and When Are They Published in *Academic Medicine*?

Academic Medicine's editorial staff will lead an open discussion about how special collections on specific topics (both solicited and unsolicited) are published in the journal; discussion topics include the criteria and process for publication, the review process for solicited collections, and the journal's changing policy on supplements.

Moderator:

Michael E. Whitcomb, MD

Speakers:

Lisa R. Dittrich

Anne L. Farmakidis

Jennifer M. Gross

Mary Beth DeVilbiss

Natalie E. Palm

10:00–11:30

Convention Center • 619/620

Alliance for Clinical Education (ACE)

Implementing Longitudinal Themes in Clinical Medical Education

This session will:

- Define the term “longitudinal themes” in a medical school curriculum

- Identify areas of training typically included in the concept of longitudinal themes in medical school curricula

- Describe various strategies for implementing longitudinal themes in the clinical years of medical school

Moderator:

Louis N. Pangaro, MD

Presenters:

Susan M. Cox, MD

Robin Deterding, MD

David Lee Gordon, MD

Martin Leamon, MD

Stephen Leapman, MD

Thomas D. Painter, MD

Richard Usatine, MD

T. Robert Vu, MD

10:00–Noon

Convention Center • 615/616

Diversity Research Forum—Exploring Diversity in the Physician Workforce: Benefits, Challenges, and Future Directions

The goal of this year's Diversity Research Forum is to provide an overview of research on physician diversity and to underscore the role diversity plays in the physician workforce. Research studies, methodological issues, and policy implications will be discussed.

Moderator and Speaker:

Kevin Grumbach, MD

Speakers:

Somnath Saha, MD, MPH

Lisa A. Cooper, MD, MPH

Alonzo L. Plough, PhD, MPH

10:15–10:45

Convention Center • 206

AAMC Benchmarking—Faculty Roster

This session will demonstrate how to access reports on the educational, employment, and demographic backgrounds of full-time faculty members.

Speaker:

Hershel Alexander, PhD

10:15–Noon

Sheraton • Cedar

GRMC/GIP Joint Session

The New Reality of Multi-Site Academic Medical Centers

This session will:

- Describe the administrative structure of the medical school and the relationship of the remote site to the primary medical school
- Discuss some of the major concerns from the viewpoint of the panelists, with respect to capital improvements, operations costs, planning
- Highlight some challenges and successes as they relate to physical planning, technological coordination, programmatic functions, administrative functions, and innovations

Speakers:

David B. Hellmann, MD

Alan L. Hull, MD, PhD

Jose Manuel de la Rosa, MD

Steven M. Wiesenthal

10:30–11:30

Convention Center • 309

AAMC Group Chairs Meeting

10:30–Noon

Convention Center • 611/612

RIME 24th Invited Address

The Centrality of Signature Pedagogies in Professional Education and Their Implications for Research and Practice in Medical Education

Speaker:

Lee Shulman, PhD

10:30–Noon

Sheraton • Willow A

NBME USMLE Strategic Planning II

Moderator:

Peter V. Scoles, MD

Tuesday, October 31

Closed Session

Additional Registration Fee

Morning

10:45–11:30

Convention Center • 206

AAMC Benchmarking—Medical School Profile System (MSPS)

This session will provide an overview of the AAMC's online benchmarking tool that can be used to compare medical schools on a variety of metrics such as faculty counts and research dollars.

Speakers:

Jay Youngclaus, MS
Sarah Schoolcraft, MS

11:00–Noon

Sheraton • Ballroom A

Challenging Standards Revisited: A Dialogue with LCME Staff

In this informal town-hall session, LCME Secretariat staff will address the interpretation and assessment of the accreditation standards that schools find most challenging, including those dealing with class size increases, diversity initiatives, geographically separated campuses, and the quantification of clinical education experiences of medical students.

Staff:

Barbara M. Barzansky, PhD
Robert Eaglen, PhD

11:00–Noon

Convention Center • 606/607

GRA Plenary Session II

Using Simulation to Improve GME

This session will explore both procedurally oriented simulation and standardized patients in the training of residents and fellows. Participants will:

- Learn about the scientific foundation (evidence base) of applying simulated patient care to the training of residents and fellows
- Examine the scope and process of applying simulation within the training of residents and fellows
- Identify current shortcomings and barriers to the application of simulated training to the formal educational curriculum within GME

Moderator:

John B. Coombs, MD

Speakers:

Brian K. Ross, MD, PhD
Thomas H. Gallagher, MD

Afternoon

Noon–1:30

Convention Center • 609/610

GRA Luncheon and Business Meeting

Noon–2:00

Sheraton • Metropolitan A

WIM Leadership Award Luncheon

This annual award luncheon honors the 2006 Women in Medicine leadership award winners and highlights two dynamic women leaders who will share their pathways to leadership.

Introducer:

Kimberly S. Ephgrave, MD

Speakers:

Karen Katen, MBA
Donna Katen-Bahensky, MA

12:30–3:30

Convention Center • 305

GSA Steering Committee Meeting

1:00–2:30

Convention Center • 615/616
