Merrel Flair Award Presentation

Chair: Karen V. Mann, PhD

9:00–10:30

Omni • Executive

Association for Prevention Teaching and Research (APTR) Research Workshop

Community Engagement in the Clinical and Translational Science Awards

This session will:

- Discuss the goals for community engagement in the NIH CTSAAs
- Describe community based participatory research and its implications for clinical and translational research

- Describe the methods used by CTSA grantees to build community engagement
- Discuss opportunities and options for community engagement and practice-based research.

Moderator:

J. Lloyd Michener, MD

Speakers:

Nancy Bennett, MD
 Andrea Sawczuk, DDS, PhD
 Leandris Liburd, PhD, MPH

9:00–3:00

Marriott • Delaware B

GRMC Annual Meeting Program

Lunch/Business Meeting (Noon–1:00) 

9:30–11:00

Marriott • Washington 5

GRA Plenary Session

Leading Resident Learning in Quality Improvement and Performance Measurement: Examples from The University of Washington and The Geisinger Health System

This session will provide examples of educational opportunities that integrate quality into the GME curriculum.

Moderator:

Linda M. Famiglio, MD

Speakers:

Steven Pierdon, MD
 Michelle Thompson, MD
 Richard Shugerman, MD
 Ellen Lipstein, MD

9:30–12:15

Marriott • 8209

University of Cincinnati College of Medicine Student Information System

This session will provide in-depth information on www.MedOneStop.uc.edu, the Web-based Student Information System used to facilitate information and communication exchange between medical students, faculty, and staff at the University of Cincinnati College of Medicine.

Moderator:

Bill Rush

Discussants:

Daniel Burr, PhD
 Denise D. Gibson, PhD
 Linda Goldenhar, PhD
 R. Stephan Manuel, PhD

9:30–4:45

Marriott • 8210

VSAS Usability Reviews

These guided hour-long sessions will allow prospective VSAS users to evaluate the ease-of-use of the new application service. Pre-registration required.

Moderator:

John Bono, MS

9:45–10:15

Marriott • Virginia B

AAMC Benchmarking—Faculty Salary Survey

This session will demonstrate how to access reports on compensation by department and rank as well as by discipline, degree, region, and school type (public or private).

Speaker:

Wendy Geraci, MA

9:45–11:30

Marriott • Cotillion South

GFA Plenary

Navigating a World of Collaborative Leadership

Moderator:

Valerie N. Williams, PhD, MPA

Speakers:

Stephen P. Bogdewic, PhD, MA
 Sally A. Shumaker, PhD
 Barbara Alving, MD

10:00–11:30

Marriott • Balcony A 

AAMC Group Chairs Meeting

Tuesday, November 6

Morning

10:00–11:30

Marriott • Delaware A

Academic Medicine in Transition: A New Editor-in-Chief

The entire editorial staff will be on hand to introduce Steven L. Kanter, MD, Dr. Whitcomb's successor as editor-in-chief, and to discuss this important leadership transition; comments and questions from the audience will be encouraged.

10:00–11:30

Marriott • Virginia A

Alliance for Clinical Education (ACE) Session

Portfolios in Clinical Medical Education—One Method to Foster Inter-clerkship Growth

This session will:

- Define uses of academic portfolios in a medical school curriculum
- Provide examples of how portfolios can be used to share educational goals across clerkships
- Identify benefits for use of academic portfolios to assess growth across the clerkship year
- Discuss the inter-clerkship agreements necessary to assess growth across the clerkship year.

Introduction:

Louis Pangaro, MD

Moderator:

Heidi Chumley, MD

Presenters:

Imran Ali, MD

Karen Brasel, MD, MPH

Mitchell Cohen, MD

Maya Hammoud, MD

Heather Harrell, MD

William Raszka Jr., MD

Anne Walling, MBChB

10:00–Noon

Marriott • Maryland C

Diversity Research Forum—Successfully Evaluating Diversity Efforts in Medical Education

This session will underscore the importance of documenting the effects of diversity in medical education. Conducting evaluations of medical education programs and institutional climate, methodological approaches, and implications of results will be discussed.

Moderator and Speaker:

José Moreno, EdD

Speakers:

Martin M. Chemers, PhD

Robert Hung, MD, MPH

10:00–Noon

Marriott • Maryland A/B

LCME Town Hall

Distributed Medical Education: Coloring within the Lines of Accreditation

This session will focus on the accreditation standards related to the effective management of education at multiple instructional sites and the actions schools have taken to address the challenges posed by those standards.

Moderator:

Barbara M. Barzansky, PhD

Panel:

Christopher C. Colenda, MD, MPH

Dan Hunt, MD, MBA

Marsha D. Rappley, MD

10:00–Noon

Marriott • Eisenhower

ELAM Fellow and Alumnae Tea

Moderators:

Page S. Morahan, PhD

Rosalyn C. Richman

10:15–10:45

Marriott • Virginia B

AAMC Benchmarking—Faculty Roster

This session will demonstrate how to access reports on the educational, employment, and demographic backgrounds of full-time faculty members.

Speaker:

Jonathan Lang

10:30–Noon

Marriott • Washington 2/3

RIME Invited Address

Leadership is a Decision

Speaker:

Robert Sternberg, PhD

10:30–Noon

Omni • Executive

APTR Educational Session

Should Undergraduate Public Health be a Prerequisite for Medical School?

This session will:

- Discuss the basis for the Institute of Medicine's recommendation that all undergraduates have "...access to education in public health"
- Discuss the recommendations of the Consensus Conference on Undergraduate Public Health Education that all four-year colleges and universities should offer such courses as "Public Health 101," "Epidemiology 101," and "Global Health 101" and the implications for medical school admissions
- Discuss the Clinical Prevention and Population Health curriculum framework as a basis for structuring these fields as part of medical education.

Moderator and Speaker:

Richard Riegelman, MD, PhD

Speakers:

Susan Albertine, PhD

Paul Marantz, MD

David Garr, MD

10:45–11:30

Marriott • Virginia B

AAMC Benchmarking—Medical School Profile System (MSPS)

This session will provide an overview of the AAMC's online benchmarking tool that can be used to compare medical schools on a variety of metrics such as faculty counts and research dollars.

Speakers:

Jay Youngclaus, MS

Sarah Schoolcraft, MS

Tuesday, November 6

 **Closed Session**
 **Additional Registration Fee**

Morning

10:45–12:15
Marriott • Virginia C

Careers in Medicine Session

Advising Students on Their Specialty Choice

In this session, we will present the philosophy of Careers in Medicine, provide clinical faculty with a foundation for working with students on career and specialty decisions, and introduce valuable resources and skills to assist clinical faculty in providing sound career advice to students.

Speakers:

 George V. Richard, PhD
 Jeanette L. Calli, MS

11:00–Noon
Marriott • Kennedy

AAMC Faculty Roster Retention and Promotion Workshop

This session will demonstrate how to access reports on retention and promotion that display information by fields such as department, degree, rank, appointment start date, sex, race, and Hispanic origin.

11:00–Noon
Marriott • Washington 5

GRA Plenary Session II

International Education Experiences in GME

This session will address criteria for approving rotations abroad, the content of those experiences, how oversight is provided, and how they are evaluated.

Moderator:

Rosemarie L. Fisher, MD

Speakers:

 Scott Heysell, MD, MPH
 Daniel W. Giang, MD
 Majid Sadigh, MD

11:45–1:00
Marriott • Washington 6

NBME Luncheon for Stemmler Fund Reviewers

Afternoon

Noon–1:30
Marriott • Washington 4

GRA Luncheon and Business Meeting

Closing the Loop: Feedback on Performance of Recent Medical School Graduates Work Group

Speaker:

A. Lorris Betz, MD, PhD

Noon–2:00
Marriott • Cotillion North

Women in Medicine Awards Luncheon

Mistress of Ceremony:

Kimberly S. Ephgrave, MD

Speaker:

Mara Liasson

12:30–3:30
Marriott • Room 8219
