Holistic Review: Remaking the Face of Medicine

This interactive session will provide an overview of the process of Holistic Review of medical applicants and demonstrate how Holistic Review can be implemented into existing admissions procedures in medical schools.

Moderators:

Robert Witzburg, M.D.
 Maria Soto-Greene, M.D.
 Sam Parrish, M.D.

Speakers:

James Scott, M.D.
 Dwight Davis, M.D.
 Ruth Beer Bletzinger

Closed Session

Additional Registration Fee

8:00–Noon

Marriott Riverwalk • Alamo E

Association of Academic Chairs of Emergency Medicine (AACEM) and Society for Academic Emergency Medicine (SAEM) Education Session

Addressing Advocacy as a Role of Academic Emergency Medicine

Speakers will describe the increasing importance of advocacy as a component of academic medicine.

Moderator:

David P. Sklar, M.D.

Speakers:

Robin R. Hemphill, M.D., M.P.H.
 Theodore A. Christopher, M.D.
 James Tarrant, M.A.

8:00–3:30

Grand Hyatt • Texas B

AAHSL Workshop

Determining Our Worth: The Value of Libraries

This workshop will explore the concept of measuring the value of the academic health sciences library and librarians—both economic value, for example through ROI (return-on-investment) studies and value-in-use, where library value is assessed by its usefulness.

Speakers:

Kathel Dunn, M.S.L.S.
 Judy Luther, M.L.S., M.B.A.
 Julia Sollenberger, M.L.S.

8:00–4:00

Grand Hyatt • Crockett C

GRAND Steering Committee Meeting

8:00–5:00

NBME/ECFMG FAME Course

Fundamentals of Assessment in Medical Education (FAME) - Day One

Saturday, November 1

Morning

8:30–1:00**Marriott Riverwalk • Alamo F****Academies Collaborative Annual Meeting**

This session will explore the challenges of establishing and sustaining a teaching academy, discuss thematic goals across institutions, and strategize the next steps in the Academies Movement.

Moderator:

Nancy S. Searle, Ed.D.

Speakers:

Randolph J. Canterbury, M.D.
Michael Coburn, M.D.
Molly Cooke, M.D.
Charles J. Hatem, M.D.
David M. Irby, Ph.D.
James W. Lomax, M.D.
Elizabeth Nelson, M.D.

8:30–4:30**Marriott Riverwalk • Alamo D****Group on Baccalaureate-MD Programs**

Efficiency = Value/Cost

This session will explore the idea that the efficiency of streamlining the continuum between undergraduate pre-medical education and undergraduate medical education can be impacted by a number of issues.

Moderator:

Don Batisky, M.D.

8:30–9:00

Breakfast with Discussion of the Research Consortium

9:00–10:15

General Session

Speakers:

Jorge Girotti, M.D.
Jennifer Rosichan, M.A.
Nikki Bibler, M.Ed.

10:30–11:30

General Session

Speaker:

Ezekiel J. Emanuel, M.D., Ph.D.

11:30–1:00

Lunch/Business Meeting (**Travis**)

1:15–3:15

General Session

Speakers:

Ellen Cosgrove, M.D.
Polly Moss, M.Ed.
Brenda Rogers, M.D.

3:15–4:30

Wrap-Up

9:00–10:00**Convention Center • 216 A****AAMC Orientation**

This session will:

- provide an overview of AAMC's history, structure and services
- answer questions about how to get the most from your annual meeting experience.

Speaker:

Kathleen S. Turner, M.P.A.

9:00–10:00**Grand Hyatt • Bowie B****ORR Member Briefing****9:00–10:15****Grand Hyatt • Lone Star C****GIA General Session***Unnatural Causes: Is Inequality Making Us Sick?*

The executive producer of a documentary series about health care disparities will discuss key elements of the series including findings on how economic status, race and zip code can be predictors of health status and life expectancy.

Moderator:

Claire Pomeroy, M.D., M.B.A.

Speaker:

Larry Adelman

**Closed Session****Additional Registration Fee****9:00–10:15****Convention Center • 214 D****OSR Plenary Session**

Student Programming Showcase

This session will highlight new and exciting student programming and project ideas from medical schools across the country.

Moderators:

James Littlejohn
Matthew Rudy

9:00–Noon**Marriott Riverwalk • Alamo C****SACME Plenary Session**

Strategic Partnering in Academic CME/Performance Improvement Education

Good Medical Practice-USA

The National Alliance for Physician Competence is developing a Good Medical Practice document for the U.S. health care community. Participants are encouraged to read the document prior to the session (<https://gmpusa.org>).

Speaker:

James Thompson, M.D.

*Implications of GMP-USA to Medical Education and Group Discussion***Speakers:**

Carol Aschenbrener, M.D.
Dave Davis, M.D.

A Common Language for Healthcare Quality Improvement

Drs. Aronovitz and Davis are leading a project to develop a standardized taxonomy for healthcare quality improvement.

Speakers:

Jason Aronovitz, D.O.
Nancy Davis, Ph.D.

Saturday, November 1

**Closed Session****Additional Registration Fee**

Morning

Teaching Quality Improvement across the Continuum

In her role as the AAMC Petersdorf Scholar, Dr. Pingleton studied the healthcare quality improvement curricula in residency programs. She will share her findings as well as the implications for QI lifelong learning in CME.

Speaker:

Susan Pingleton, M.D.

9:30–Noon**Grand Hyatt • Crockett A/B****Association of Departments of Family Medicine Fall Meeting****10:00–Noon****Grand Hyatt • Seguin A/B****LCME Workshop for Accreditation Site Surveyors****10:00–Noon****Grand Hyatt • Texas A****VA Plenary Session**

Are You Content with the Status Quo?

Moderator:

Thomas J. Lawley, M.D.

Panelists:

Malcolm Cox, M.D.

Jacqueline G. Parthemore, M.D.

Karen M. Sanders, M.D.

Daniel H. Winship, M.D.

10:00–7:00**Convention Center • Exhibit Hall C****Exhibit Set-up**

AAMC, Commercial, Non-profit, and Innovations in Medical Education (IME)

10:30–11:45**Grand Hyatt • Presidio C****GIA Alumni Track Session**

Planned Giving for Alumni Relations Professionals

This session will sharpen alumni relations professionals' abilities to recognize "trigger points" and conversational "tells" from alums, constituents, and grateful patients.

Moderator:

Patricia Comey

Speaker:

Stephen Miller

10:30–11:45**Grand Hyatt • Presidio B****GIA Development Track Session**

Creating the Right Compensation Plan to Attract and Retain Fundraising Professionals

This session will explore issues related to compensation for fundraising professionals with an emphasis on retention and bonus plans.

Moderator:

Jancy Houck

Speakers:

Bob Becker

Lisa Perlmutter

Beth A. Richardson

10:30–11:45**Grand Hyatt • Independence****GIA Marketing Track Session**

Communicating Quality: What, Why, Where, Who, and How!

This session will provide an overview of various collaborative efforts focusing on quality and/or cost measures and examine how various medical centers have chosen to define, communicate, or disclose their data.

Moderator:

Kim Wirthlin

Speakers:

Dalal J. Haldeman, Ph.D., M.B.A.

Beth A. NeCamp

10:30–11:45**Grand Hyatt • Presidio A****GIA Public Relations and Public Affairs Track Session**

Sneak Peekers and Medical Records Gone Astray: HIPAA Horror Stories

This session will provide case studies of unexpected HIPAA challenges—unauthorized snooping into celebrity records and stolen patient data—and detail best practices on how to communicate publicly about the violations.

Moderator:

Myrna Manners

Speakers:

Jacqueline Menendez

Christine Morris

Dale Triber Tate

10:30–11:45**Convention Center • 214 D****OSR Breakout Session**

Conflicts of Interest and Pharmaceutical Companies

This session will explore both the close ties and potential conflicts of interest between the medical profession and industry, particularly pharmaceutical companies and AAMC's recently released guidelines pertaining to these issues.

Moderators:

Bryan Harris

Jennifer Olges

Speakers:

Susan Ehringhaus, J.D.

Philip A. Pizzo, M.D.

Saturday, November 1

Morning

10:30–11:45**Convention Center • 213 A/B****OSR Breakout Session**

Could Facebook Get You Fired?
Professionalism: Student and Faculty
Accountability

This session will explore honor codes and professionalism teaching methods at medical schools and their effectiveness (perceived or actual).

Moderators:

Sarah Milliken, M.D.
Catherine Spina

Speakers:

Steven R. Lowenstein, M.D., M.P.H.
Janet Trial, Ed.D., M.S.N.

10:30–11:45**Convention Center • 206 B****OSR Supplemental Breakout Session**

Introduction to Ultrasound in Medical
Education: The Vertical Curriculum

(limited to 30, first come, first served)

Participants in this session will:

- explore the use of ultrasound in medical student education
- participate in an introductory hands-on ultrasound workshop.

Moderator and Speaker:

Richard A. Hoppmann, M.D.

10:30–12:30**Grand Hyatt • Texas F****WIM/ORR/SELAM Plenary Session**

Creating Your Tomorrow: Planning an
Academic Career

Career navigation for junior faculty and faculty involved in advising new academic physicians will address the role of the faculty affairs dean's office, contemporary mentoring, and consider observations from recent junior faculty.

Moderator:

Tanika M. Pinn, M.D.

Speakers:

Susan Pollart, M.D.
Peter Buckley, M.D.
Adina K. Knight, M.D.

11:00–12:30**Convention Center • 006 A****Careers in Medicine Update**

Learn about the newest Careers in Medicine enhancement, the Residency Preference Exercise, and get updates on other new tools being planned to assist you in providing career planning services to your students.

Speakers:

George V. Richard, Ph.D.
Jeanette L. Calli, M.S.
Carissa Englert, M.S.

11:00–12:45**Convention Center • 217 C/D****GSA-MAS Combined Regional Meeting**

1:30–2:45**Convention Center • 217 C/D****MAS/OSR/DPP Session for the Minority Student Medical Career Awareness Workshops and Recruitment Fair**

College Students and Parents Meet and Greet Current Medical Students

OSR will meet with premedical students and their parents during an informal session where the attendees can ask and receive firsthand information about the medical school experience.

Moderators:

Dominique Arce

Nathan T. Chomilo

Saturday, November 1

Afternoon

1:30–2:45**Convention Center • 214 D****OSR Breakout Session**

Public Health: What MDs Need to Know

This session will explore the knowledge and skills that all MD graduates should have in preparation to practice medicine in a way that promotes a healthier public. The intersection of clinical medicine and public health and how the overlap will impact both fields in the future will also be discussed.

Moderators:

Janae Phelps
Diane Reis

Speakers:

Jan K. Carney, M.D., M.P.H.
Susan Skochelak, M.D., M.P.H.

1:30–2:45**Convention Center • 213 A/B****OSR Breakout Session**

Business of Medicine

This session will introduce medical students to issues, controversies, and future directions of the U.S. health care system, focusing on topics especially relevant to physicians-in-training.

Moderators:

Jason Lott
Roxanne Richards

Speaker:

Andrew M. Thomas, M.D.

1:30–3:30**Convention Center • 206 A****Association of Academic Physiatrists Session**

Team Training - Competency Development in Medical Education

By the end of the workshop the participant should be able to:

- list and describe the reasons for improved team training in physician education
- outline a system for using simulation to teach effective team interaction
- utilize the above system to facilitate simulation-based discussion to improve performance of physicians within team settings.

Moderator and Speaker:

John S. Harrell, M.D.

Speakers:

Daniel M. Clinchot, M.D.
Catherine R. Lucey, M.D.
Carol S. Hasbrouck, M.A.

1:30–4:00**Grand Hyatt • Bowie B****National Board of Medical Examiners (NBME) Workshop**

Measurement Issues in Scoring, Equating, and Standard Setting

This session will cover the general principles of measurement relative to scoring, equating and standard setting. Application of these principles will be demonstrated with examples from the USMLE and NBME Subject Examination programs.

Speakers:

Carol Morrison, Ph.D.
Linette Ross

Closed Session **Additional Registration Fee****1:30–5:30****Marriott Riverwalk • Alamo C****SACME Plenary Session***Report on Mayo National CME Consensus Conference*

Report on the development of a national agenda for CME research and the repositioning of CME in response to recent calls for change.

Speakers:
