Parents, Counselors, and Prehealth Advisors Medical Career Fair Registry

The Group on Student Affairs–Minority Affairs Section (GSA-MAS) of the Association of American Medical Colleges (AAMC) represents the Minority Affairs Officers at the 125 accredited U.S. medical schools. To help us recruit individuals **interested in medicine**, we would like to collect some information from you. Your participation in this registry is **voluntary**.

The AAMC’s GSA-MAS, Diversity Policy and Programs, and member medical schools would also like to be able to contact you in case we have information to share that we believe may be of interest to you. We may also, on rare occasions, wish to conduct a survey on a sample of parents, counselors, or prehealth advisors to gather information that will assist us in promoting diversity in medical education and physician workforce and. If you agree to be included, the data you provide will be classified as "unrestricted." Unrestricted data are data that may be published with individual identification. If you do not want to be included, the data will only be used for registration purposes and will be destroyed after registration.
