

Minority Student Medical Career Awareness Workshops and Recruitment Fair
 Saturday, November 1, 2008
 Henry B. Gonzalez Convention Center, San Antonio, TX

Minority Student Medical Career Fair Registry

The Group on Student Affairs–Minority Affairs Section (GSA-MAS) of the Association of American Medical Colleges (AAMC) is interested in you! We represent the Minority Affairs Officers at the 129 accredited U.S. medical schools. To help us recruit individuals **interested in medicine**, we would like to collect some information from you. Your participation in this registry is **voluntary**.

The AAMC’s GSA-MAS, Diversity Policy and Programs, and member medical schools would also like to be able to contact you in case we have information to share that we believe may interest you. We may also, on rare occasions, wish to conduct a survey on a sample of high school and/or college students to gather information that will assist us in promoting diversity in medical education and physician workforce. If you agree to be included, the data you provide will be classified as "unrestricted." Unrestricted data are data that may be published with individual identification. If you do not want to be included, the data will only be used for registration purposes and will be destroyed after registration.

I agree to have my information included in the GSA-MAS Minority Student Medical Career Fair Registry: **Yes, I want to be included**_____ **No, I do not want to be included**_____

PLEASE PRINT CLEARLY

1. Name:_____

2. Contact Information:
