## QUESTIONS: Department HR Staff

We are interested in assessing salary levels for HR staff in clinical departments. We have a department cluster model so would ask for the salary ranges for the highest HR professional in each of these areas:

SALARY RANGE FOR HIGHEST HR PROFESSIONAL IN:

Clinical departments:
Department of Medicine specifically (to recognize size factor):
Medical School (centralized office; highest professional reporting to the assistant/associate dean level):

Patricia A. Mulcahy, M.B.A.
University of Minnesota Medical School
