

**QUESTIONS: Facility/Space Management Compensation/Role Data**

I am hoping that you can provide some information on your Facility/Space Management positions:

- 1) Do you have any positions whose primary responsibility is facility/space management within the School of Medicine?
- 2) What is the title of the leader of this team (i.e.: Director? Assistant Dean? etc.)
- 3) Please summarize the top 3-5 core responsibilities of the team leader's position.
- 4) What is the salary range of the team leader's position?

Thank you for your assistance,

Nancy F. Dodd
