Canadian Student Health Research Forum (CSHRF)

Edwin A. Kroeger
University of Manitoba

www.umanitoba.ca/medicine/research_days

Objectives for the Forum

- Networking top trainees (local/national)
- Exposure/experience – national, interdisciplinary, broad participation
- Recognition of excellence
- CIHR interface (research career development)
- Value-added elements
 - Symposium – role-model scientist-speakers
 - Tours of national research facilities
 - Social interactions

Forum Activities

- Event bridges from local poster competition
- Judged research poster competition
- National (CIHR) awards of excellence
- Lectures by previous year's winners
- One-day symposium on a cross-disciplinary theme by internationally recognized researchers
- Tours of national research centres
- CIHR information session
- Opportunities to network with leading researchers and trainees informally
- Social events organized by local graduate students
