# POLICY UPDATE

## “All-In” policy tabled indefinitely

- J-1 visa processing
- Significant numbers of IMGs do not report “on time” for training
- Potential for unintended consequences for some specialties and programs

## No Second Match

- Match Day too late (April 1)
- Mandatory participation for unfilled programs
- No match results until conclusion of Phase 2

# POLICY UPDATE

## Off-Cycle Graduates

### Withdrawn U.S. Seniors:

- may seek positions outside the Match no earlier than 12:00 noon eastern time on Tuesday of Match Week
- may accept positions outside the Match provided training will begin no later than February 1 in the year following the Match
- will be sponsored applicants if in the Match

# POLICY UPDATE

## Waivers of the Match Commitment

If an applicant's waiver is denied:

- The applicant is expected to accept the matched position.
- If the applicant does not accept the matched position, he/she may be barred from accepting a position in an NRMP match-participating program for 1 year and a violation investigation is initiated.
- The program may not offer the position to another applicant until the NRMP grants a waiver.
- A match participating program may not offer a position to an applicant whose waiver was denied.

# POLICY UPDATE

## Waivers of the Match Commitment Change of Specialty

### Current Policy:

Applicant must request waiver at least 9 months prior to the start of training.

### Proposed Policy:

Applicant must request waiver by the January 15 prior to the start of training.

## List of Unmatched Applicants

Will medical schools support it? Student counseling?

Will program directors support it? What information will they want about applicants?

Should applicants be allowed to “opt in”? When should the option be offered?

Should applicants be included under each specialty they ranked? Should applicants be allowed to designate their specialties?

Should the list be available during the Scramble and/or after Match Week?

Should the list be static or dynamic?
