Notes

The 2005 average percents are calculated from the percents of all schools and are not adjusted for the number of faculty per school.

* The data for these schools are based on information reported to the AAMC Faculty Roster as of December 31, 2005.

* These institutions do not offer tenure.

** Tenure is only available to Basic Science faculty at these institutions.

NA indicates that the percent could not be calculated or that the information was not available.
