**Notes**

# The 2006 average percents are calculated from the percents of all schools and are not adjusted for the number of faculty per school.

\* The data for these schools are based on information reported to the AAMC Faculty Roster as of December 31, 2006.

<sup>+</sup> These institutions do not offer tenure.

<sup>\*\*</sup> Tenure is only available to Basic Science faculty at these institutions.

NA indicates that the percent could not be calculated or that the information was not available.
