IAIMS Poll: User Services

Question 1: *Name the 3 online resources you value most in your workplace.*

38 respondents named 3 online resources, resulting in 114 comments. NLM's MEDLINE database was the most popular, named by 58% (22) of the respondents. OVID's databases were the most popular health sciences databases (5 of 15). Popular local resources included directories, institutional policies and personal calendars. The most frequently named health information web sites included MdConsult (4 of 9) Medscape (2 of 9). Google was the most popular web search tool (4 of 7).
