## **Poll Results**

### IAIMS Poll: User Services **Respondent Roles**

The poll was opened March 23, 2000 by announcement on the GIR listserv, and was made available on the [better\\_health@here.now](http://better_health@here.now) web site through October 2000. Preliminary results were presented at the June 2000 GIR meeting. Of the 47 respondents, the largest group was Information/IT Professionals (18).
