¹The FY 2016 Omnibus consolidates the Title VIII Comprehensive Geriatric Education program with the Title VII Geriatric Program, citing HRSA's combined competition for the programs in FY 2015. The President's FY 2017 request continues this approach.

²The FY 2016 Omnibus requires at least \$10 million for General Dentistry programs, at least \$10 million for Pediatric Dentistry programs, and \$875,000 for the Dental Faculty Loan Repayment Program. HRSA is also directed to publish a new funding opportunity and award grants in FY 2016.
