About the Letter of Recommendation Portal (LoRP)

The Letter of Recommendation Portal (LoRP) enables LoR Authors and/or their designees to upload letters of recommendation (LoRs) to ERAS for distribution to training programs, at the request of applicants.

In the MyERAS application, applicants generate a Letter Request Form (LRF) for each LoR they are requesting and they provide the relevant author with the form. Authors and/or their designees use the unique Letter ID on each LRF to upload LoRs for applicants. A designee may not be a member of the hospital in an advising role or medical school staff supporting in the application process.

Applicants must indicate whether they waive their right to view the LoR for each LoR entry created. Applicants who waive their right to view a LoR are not permitted to view or obtain the LoR under any circumstances. All letters of recommendation must be uploaded through the LoRP and all LoRP users must accept the Terms and Conditions.

When a LoR is uploaded, it cannot be deleted or altered. To modify a LoR, a new version must be uploaded. Programs will only be able to view the most recent version of the LoR but LoRP users will see each version they have uploaded. All LoRs will have a watermark that includes the name of the person uploading the LoR, the source of the upload and the date. Applicants will receive an email notification that alerts them when a LoR has been uploaded.

LoR Requirements

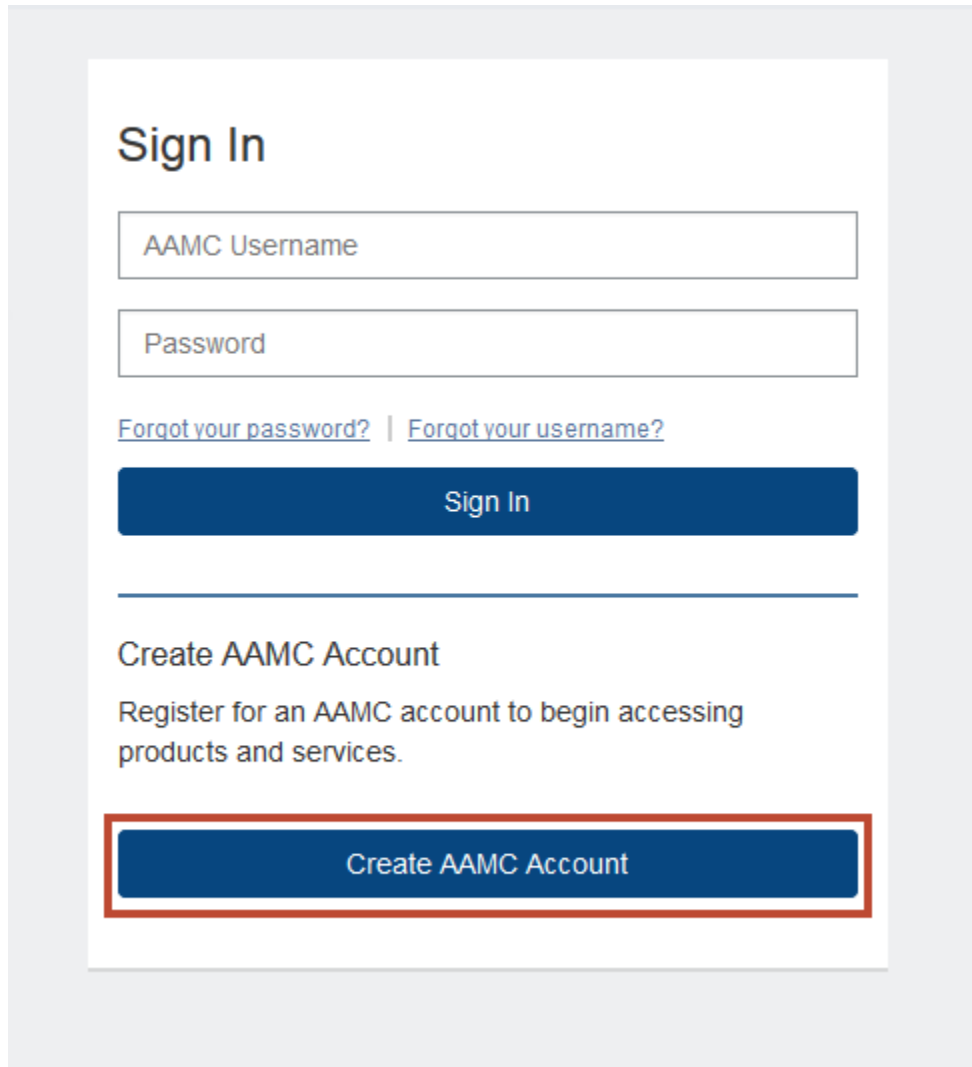

In order to upload a LoR to the LoRP, it must meet the following requirements:

- File must be in a PDF format.
- File size must not exceed 500KB.
- Files cannot be password protected.
- Files cannot have electronic signatures.
- Page dimensions cannot exceed 8.5 x 11 inches.
- File names cannot contain spaces or special characters (i.e. hyphens, periods, etc.).
- LoR(s) should be signed by the *LoR Author*.
- It is recommended that all LoRs be carefully reviewed, written on professional letterhead and signed.

Creating an AAMC Account

To access the LoRP, you will need an AAMC account. If you already have an account, you may use your existing user name and password to access the Letter of Recommendation Portal (LoRP).

1. Please visit <https://services.aamc.org/eras/lorportal> and click *Create AAMC Account*.

Sorting Information

By clicking on the arrows that appear when you hover over the column headers in the *Letter of Recommendation (LoR) Manager* screen, you are able to sort the information being displayed.

Each column has a drop-down list that will allow you to sort in either ascending or descending order.

The screenshot shows the 'Letters of Recommendation (LoR) Manager' interface. At the top right is a green button labeled 'Add New LoR'. Below it is a 'Season:' dropdown menu set to '2015'. The main area is a table with the following columns: 'LoR Author', 'Applicant Name', 'Specialty Assign...', 'AAMC ID', 'Letter ID', 'Last Upload Date', 'Upload LoR', and 'View LoR'. A red arrow points to the 'Applicant Name' column header, which has a dropdown menu open. The dropdown menu contains 'Sort Ascending', 'Sort Descending', and 'Columns' options. The table data includes a row for Sarah Doe, Applicant Name Clancy Wiggum, Specialty Assignment 21017580, Letter ID 31fk4ztc, and Last Upload Date 2015-05-21 16:0...

Selecting the *Columns* option in the drop-down list, allows you to add and remove columns by clicking on the checkboxes.

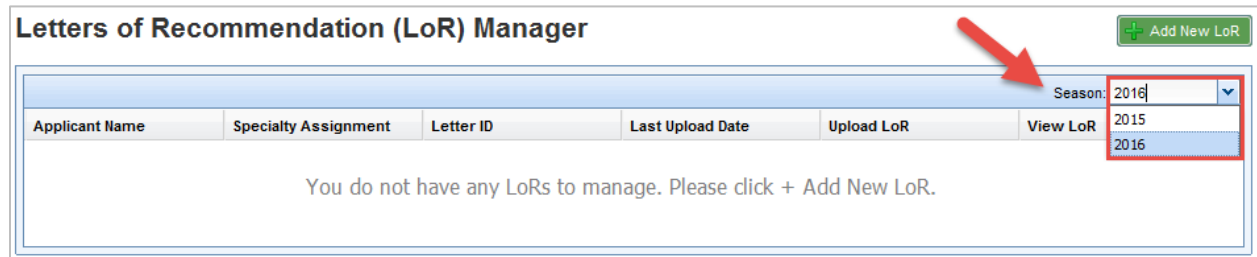

The screenshot shows the 'Letters of Recommendation (LoR) Manager' interface with the 'Columns' dropdown menu open. The menu lists the following columns with checkboxes: 'LoR Author' (unchecked), 'Applicant Name' (checked), 'Specialty Assignment' (checked), 'AAMC ID' (unchecked), 'Letter ID' (checked), 'Last Upload Date' (checked), 'Upload LoR' (checked), and 'View LoR' (checked). The table data includes a row for Anthony Edward Stark, Applicant Name Clancy Wiggum, Specialty Assignment 34c9wf8ca, Letter ID 21fk4ztc, and Last Upload Date 2015-05-21 17:19:21.0.

Note: The *Letter Writer* column will display the author's name the way it was entered by the applicant in their MyERAS application.

Toggling Between Seasons

Use the Season drop-down list, to select ERAS Seasons on the *Letters of Recommendation* (LoR) Manager screen so you can view LoRs that were uploaded to the LoRP previously and upload new letters.

LoRP FAQ

What is a Letter Request Form?

The *Letter Request Form (LRF)* is a document that includes instructions on how to access the ERAS LoRP, applicant information, the *Letter ID* and if the applicant has waived their right to see the LoR. You should receive a form for each letter you are asked to write.

Will the LoRP convert my file to a PDF format or should it already be in a PDF format before I upload it?

In order to upload a LoR, it must already be in a PDF format. The LoRP does not have the capability to convert your file into a PDF format.

PDFs with encryption, password protection, or digital signatures cannot be uploaded. Any LoRs that do not meet these guidelines must be revised and resubmitted.

For more information on the PDF file format, please see www.adobe.com.

How can I view an existing LoR for an applicant listed in my LoR Manager?

Click the Adobe icon  located under the *View LoR* column of the *LoR Manager*.

I mistakenly uploaded the wrong letter for an applicant. What should I do?

Once a LoR has been uploaded for an applicant, it cannot be modified or removed. To make a correction, you must upload a revised version of the LoR using the instructions under *Uploading a New Version of an Existing LoR* section of the user guide. Programs will only be able to view the most recent version of the LoR but LoR Authors will be able to view all versions.

What if my file exceeds the 5MB size limit?

If you are struggling to meet the 5MB file size limit, please try using a black and white document, minimizing or removing graphics, and/or adjusting your Adobe (PDF creator) settings.
