*During the 2016 application cycle, a technical malfunction in the collection of race/ethnicity data necessitated a request that applicants review and re-submit responses to the race/ethnicity question in their AMCAS applications. No applicants were asked to review this question prior to or after 2016.

Note: The "Non-U.S. Citizen and Non-Permanent Resident" category may include students with unknown citizenship. Matriculants who declined to report sex are not reflected.
