AAMC-CDC Cooperative Agreement Webinar Series:
Teaching Population Health: Innovative Medical School Curricula for Environmental Health

Resources
Live Webinar: June 2, 2015

This document is a list of resources from the webinar to assist medical faculty, public health professionals, curriculum deans, and learners with understanding how to overcome barriers to improving the integration of a population health perspective in undergraduate medical education.

Webinar Presenters

Rose H. Goldman, M.D., M.P.H.
Director of Faculty Affairs, Department of Medicine, Cambridge Health Alliance
Associate Professor of Medicine, Harvard Medical School
Associate Professor of Environmental Health Sciences, Harvard T. H. Chan School of Public Health

Robert Harrison, M.D., M.P.H.
Clinical Professor of Medicine, Division of Occupational and Environmental Medicine
University of California, San Francisco, School of Medicine

Malika Fair, M.D., M.P.H., FACEP (Moderator)
Director, Public Health Initiatives, AAMC

Environmental Medicine Curricular Resources

I. Interactive modules
   a. APTR Public Health Learning Module 17: Environmental Health: Issues and Impact
      www.aptrweb.org/?PHLM_17
   b. ACMT: Environmental Modules
      www.acmt.net/Environmental_Modules.html
   c. ACMT: Environmental Medicine Modules
      http://acmt.net/Environmental_Medicine_Modules.html

II. Case studies
   a. CDC/ATSDR: Case Studies in Environmental Medicine
      www.atsdr.cdc.gov/csem/csem.html

III. Textbooks
IV. Course
   a. NextGenU
      www.nextgenu.org/course/view.php?id=52#0

V. Publications (guidelines, reports)

Other Environmental Medicine Resources

I. Other organizations (Guidelines, fact sheets, links to other useful sites)
   a. American Academy of Clinical Toxicology
      www.clintox.org
   b. Association of Occupational & Environmental Clinics (AOEC)
      www.aoec.org
   c. Pediatric Environmental Health Specialty Units (PEHSU)
      www.pehsu.net

Special Rotations for Interested Students

I. Epidemiology Elective Program for Senior Medical and Veterinary Students
   www.cdc.gov/epielective

II. OSHA Occupational Medicine Elective
    www.osha.gov/dts/oom/elective

III. EOM rotations at various locations with OEM Residencies, such as:
    a. UCSF
    b. Harvard Medical School
