2018 Integrating Quality Conference: A Decade of Progress Bridging Health Care Quality and Education

A professional development conference showcasing 10 years of advancing quality, patient safety, and value in care delivery, health professions education, and research.

June 7–8, 2018
Renaissance Arlington Capital View Hotel
Arlington, Virginia
Learn effective strategies for accelerating quality and safety systems improvements in the modern health care setting.

Network with thought leaders and professionals and find out the how-to behind their quality, safety, and value successes.

Engage in transformational discussions during workshops, plenaries, presentations, poster sessions, and special events.

Celebrate a decade of innovative achievements integrating quality, patient safety, and value in academic medicine.
