Recommended Learn Serve Lead Sessions for CFAS Representatives

The AAMC’s Learn Serve Lead Annual Meeting features a rich array of sessions and networking events. As I do each year, I have pulled together a list of items that are intended specifically for CFAS reps (such as our committee meetings, business meeting, new representative orientation, and other CFAS-specific events) and a list of other program items that are likely to be interesting to you as a CFAS rep.

Please use this guide as a reference only rather than a substitute for the full meeting program, which is available online (http://www.cvent.com/events/learn-serve-lead-2018-the-aamc-annual-meeting/event-summary-c05c35193f5b4201b94d6081f3e6f121.aspx?RefID=aamc.org). There are many more sessions included in the complete agenda – especially concurrent breakouts – that are not listed here. You may wish to attend a session I did not include, and in all cases, as a CFAS rep, you are free to attend all breakout sessions and many other events at the meeting.

Breakout sessions with an asterisk (*) were either proposed by CFAS reps or feature at least one CFAS rep as a speaker.

As always, if you have questions or need help, reach out to me at eweissman@aamc.org or call 202-828-0044. I look forward to seeing you in Austin in November!

Friday, Nov. 2
