PLEASE READ INSTRUCTIONS ON REVERSE SIDE

**Instructions:**

Please complete all copies and return three copies to the Council of Teaching Hospitals, Association of American Medical Colleges, 2530 Ridge Avenue, Evanston, Illinois 60201, retaining the blue copy for your file.

**Membership in the Council:**

Hospitals as institutions will be members of the Council and each institution will be represented by a designated person, designated by the hospital, for the purpose of conducting the business of the Council.

Membership in the Council will be annually determined and consist of:

- a. Those hospitals nominated by a medical school member of the AAMC from among the major teaching hospitals affiliated with the school,
- and
- b. Teaching hospitals which are either nominated by a medical school member of the AAMC on the basis of important affiliations for the purposes of medical education or which have approved internship programs and full residencies in three of the following five departments: Medicine, Surgery, OB-Gyn, Pediatrics, Psychiatry, and are elected to membership by the members of the Council of Teaching Hospitals.

All members will vote at the annual meeting for officers and members of the Executive Committee. Voting on all other matters will be limited to one representative member for each medical school, who, in order to give broad representation, shall consult with the other teaching hospital members in his geographic region before votes are taken.

If nominated by School of Medicine, complete the following:

Name of School of Medicine School of Medicine  
Name of Parent University University of Louisville  
Name of Dean of School of Medicine Donn L. Smith, M. D.  
Complete address of School of Medicine 101 W. Chestnut Street

ADDENDUM #1

The Madison General Hospital is one of the University of Wisconsin affiliated hospitals with a combination of affiliated and integrated house officer training programs. Four residencies in pathology and six residencies in the three year surgery program are approved for Madison General Hospital. Residency training is integrated in medicine, pediatrics, orthopedic surgery, plastic surgery, obstetrics and gynecology, ENT, and general surgery with 8 residents currently at this hospital. Internship is integrated in medicine, pediatrics, and general surgery with 5 interns currently at this hospital. Senior student clinical clerks are assigned in medicine and pediatrics.
