Accomplishments of the region in the last 3 (or more) months:

The CGEA partnered with the KeyLIME (Key Literature in Medical Education) podcast team at our 2017 Regional Meeting and the 2 part podcast has been scheduled for release on 9/12/2017 and 9/26/2017. The podcasts can be found [here](#).

From their website--

Part 1 of a live session recorded at the 2017 CGEA Conference. Our guest hosts discuss a paper where the authors found that learners had specific strategies for attempting to manage situations where they were directly questioned by preceptors. *Length: 23:52*

Authors: Lo L and Regehr, G.

Publication details: *Medical Students' Understanding of Directed Questioning by Their Clinical Preceptors*. Teaching and Learning in Medicine. 2017. 29 (1):5-12. [PubMed Link](#)
