

Scholarship Supplement

Compiled by Committee on Community and Diversity

This material has been compiled over past years by our Committee, to serve as a concise and easily reviewed supplement to scholarship searches in the Diversity arena of medical education. You will find resources for under-represented minority groups, students with disabilities, women in medicine, veterans, and much more.

Scholarship Supplement

ABOUT THIS DOCUMENT

- Each entry is organized primarily by the group the scholarship Targets.
- New to this year, we have added check boxes for you to mark your stand out opportunities.
- The table of contents links are live, if you click on the section, it will automatically jump there.
- Please see the key below for how each entry is organized.
- If you notice any errors or broken links please feel free to contact your regional or national Delegate.
