The screenshot shows the Google News interface with a search for "medical residents". The search bar at the top contains the text "medical residents" and a search icon. To the right of the search bar is a grid icon and a red notification bubble with the number "1".

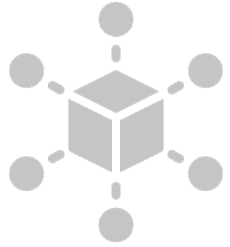

On the left side, there is a navigation menu with the following items: "Top stories", "For you", "Favorites", "Saved searches", "U.S.", "World", "Local", "Business", "Technology", "Entertainment", "Sports", and "Science".

The main content area displays four news articles:

- 7 more facts about residents today**
Association of American Medical Colleges • 5 hours ago

- DMC to add 79 Medicare-funded medical residency slots**
ModernHealthcare.com • 8 days ago

- New medical residency programs may help solve growing doctor shortage in Arizona**
AZCentral • 5 days ago

- What it's like to specialize in hematology: Shadowing Dr. Lee**
American Medical Association • today

On the right side, there is a search results panel for "medical residents" with a "Save" button. Below that is a "Topics" section with a grid of topic buttons: Medicine, Health, Research, Science, Education, Biology, Nutrition, Pharmacy, Technology, Oncology, Business, Management, Public health, and Cardiology.
