

Supplemental Information for Sponsored Programs Salary Support to Medical School Faculty

- Full-time medical school faculty includes those who held faculty appointments in the medical school at the rank of Instructor, Assistant Professor, Associate Professor, full Professor, Division Chief or Department Chair, regardless of tenure status.
- Sponsored programs are both federal and non-federal grants and contracts that are separately budgeted for organized research, training, and other sponsored activities.
- Faculty salaries include fixed pay, incentive pay, and outside earnings related to a faculty member's full-time appointment in the medical school including salaries associated with clinical practice; fringe benefits are excluded.
