* The AAMC’s Leadership Development Options: Minority Faculty Leadership Seminar or Early Career Women Faculty Leadership Seminar

** Workshop #2 will be held every other year. Scholars will attend the workshop in either Year 2 or Year 3 of the program. Scholars will attend the leadership development seminar in the alternate year.

***Should AAMC's grant continue beyond the scholars' fourth year of involvement, fifth-year scholars will continue to have access to their AAMC-identified mentor, be invited to participate in a portion of the skill-building workshops as faculty and/or classroom coaches, and be invited to attend the 1.5-day Networking and Learning Event to share their experience with new scholars. Fifth-year scholars also will select a conference to attend from a list of options, including the AAMC's professional development conferences and conferences that are delivered by the AAMC's member societies.

Mentoring facilitated by AAMC MOSAIC MyGroup: AAMC-Assigned Mentor, Local Institution Mentor, and additional mentor(s) (National Research Mentoring Network).
