Nominee CV

Please upload the nominee's complete curriculum vitae.

Describing the Nominee

- A. All AAMC awardees and honorees are expected to meet the AAMC's standards of professional ethics and scientific integrity articulated in our policies. (**Standards of Professional Ethics and Scientific Integrity**). Leaders of a professional community must embody the professional ethics expected of that community, including through demonstrating respect for the people they work with and serve, deliberate efforts to improve the value and rigor of their work through inclusion of diverse teams and perspectives, and unwavering discipline regarding the quality, integrity, and trustworthiness of their professional achievements. Breaches of professional ethics and scientific integrity include but are not limited to: A) Sexual harassment; B) Discrimination on the basis of sex, race, color, national origin, religion, age, ability, sexual orientation, gender identity, or any other characteristic protected by law or institutional policy, against students, residents, research assistants, employees, colleagues, research subjects, or patients, in all professional settings. C) Research misconduct, including fabrication, falsification, or plagiarism in proposing,

AAMC Award for Excellence in Medical Education

performing, or reviewing research, or in reporting research results. D) Any action that results in the loss of a professional license to practice.)

Do you have any concerns of which AAMC should be aware regarding the AAMC satisfying this expectation? (Yes/No)

- B. Succinctly describe how the nominee exemplifies all of the criteria of the Award for Excellence in Medical Education (300 character limit, including spaces).
- C. Describe how the nominee has had a significant national impact on medical education, above and beyond one's own institution. This may be a broad impact across the medical education continuum or an in-depth impact in a particular area, such as undergraduate medical education, graduate medical education, or interprofessional education (2000 character limit, including spaces).
- D. Describe how the nominee has a strong record of medical education scholarship (1000 character limit, including spaces).
- E. Describe how the nominee has substantive experience as a teacher and/or mentor within the health professions community or as a collaborative partner with patients, families, and communities (1000 character limit, including spaces).

NOMINATION PART 2 (Opens March 2025 – Closes April 4, 2025, to three selected candidates only)

Letters of Support

Upload four two-page letters of support articulating how the nominee demonstrates the highest standards in medical education and why the nominee should receive the AAMC Award for Excellence in Medical Education. At least one letter of support should be authored by an AAMC-member institution's dean, CEO, or president on institutional letterhead. Additional letters of support can be authored by anyone, including trainees, who can speak to how the nominee demonstrates the criteria of the award.
