Section 2. Description of How the Institution Exemplifies Outstanding Community Engagement

A. Community Engagement and Education

Describe how local community members are involved in the development, implementation, and evaluation of medical education at the institution (2,500-character limit, including spaces). Strong examples may include the following:

- Coursework around community engagement and advocacy methods and practice (UME, GME, or CME).
- Service learning.
- UME tracks.
- Pathway programs in the community.
- Mini-Medical School programs offered to the community.
Spencer Foreman Award for Outstanding Community Engagement

- Faculty professional development or training.
- Recruitment of students and faculty.
- Other programs not listed above.

B. Community Engagement and Research
Describe how local community members are involved in the development, implementation, and evaluation of how community engagement is reflected through research at the institution (2,500-character limit, including spaces). Strong examples may include the following:

- Patient-engaged science, patient-centered outcomes research.
- Health care equity-focused health services research, quality improvement science.
- Community-based participatory research and other community-partnered research.
- Population health research.
- Other programs not listed above.

C. Community Engagement and Clinical Care
Describe how local community members are involved in the development, implementation, and evaluation of clinical care at the institution (2,500-character limit, including spaces). Strong examples may include the following:

- Student-run clinics.
- Health fairs, mobile clinics, etc.
- Clinical learning environment for health care equity (e.g., Accreditation Council for Graduate Medical Education’s Clinical Learning Environment Review).
- Clinical data collection, health-related social needs screening and referral.
- Population health management and health care equity.
- Other programs not listed above.

D. Community Engagement and Administration
Describe how community engagement is reflected at the administrative and organizational level of the institution (2,500-character limit, including spaces). Strong examples may include the following:

- Mission.
- Organizational equity, diversity, and inclusion efforts (e.g., employee resource groups).
- Anchor institution commitments.
- Grant-making to community groups/partners.
- Policy and advocacy.
- Community Health Needs Assessment and community benefit.
- Staff and administrator community service opportunities.
- Faculty promotion and tenure/recognition.
- Financing and sustainability of programs.
Spencer Foreman Award for Outstanding Community Engagement

E. Crosscutting Themes
   Provide a description or example of how your institution engages the following categories (2,500-character limit, including spaces):
   - Program evaluation.
   - Shared governance of programs, including use of community advisory boards.
   - Interprofessional and multisector partnerships.

F. Describe how community engagement efforts are coordinated across your institution (1,500-character limit, including spaces).

Section 3. Letters of Support

Please upload three letters of support.

1. A two-page letter signed by the INSTITUTIONAL LEADER making the nomination. The letter must address the following:
   - Define and describe your community/communities and the history of your relationship.
   - Include your institutional definition of community engagement.
   - Describe how community engagement has been structured and shaped on your campus(es)/within your school, teaching hospital, or health system.
   - Depict how community engagement has been impacted or influenced by history and current national and global events.
   - Include geographic context.

2. A one-page letter of support from a CURRENT STUDENT OR RESIDENT answering the following question:
   - How would you articulate your institution’s commitment to community engagement?

   *Please provide an email address for the current student or resident.

3. A one-page letter of support from a COMMUNITY PARTNER addressing the following:
   - History of the relationship to the institution.
   - An example of collaboration and shared leadership.
   - Description of a specific project, how it was evaluated, and its impact.

   *Please provide an email address for the community partner.

*Note: If your institution is selected as a finalist, your recommenders will receive a link to a short survey with additional questions.
