

CLOTH MASK INSTRUCTIONS

How to wear:

1	Wash your hands with soap and water for at least 20 seconds.	
2	Insert the filter from the opening at the top.	
3	Close the mask, ensuring that the filter sticks out from the top and bottom corners.	
4	With the opening (wire-side) facing up, secure ear loops around ears and/or ties around head.	
5	If applicable, pinch the wire to mold it to the shape of your nose. Once on, do not continue to touch or adjust the mask.	

How to clean:

- Wash masks DAILY and after they become damp or moist
- Cleaning options:
 - Hot water and color-safe bleach like Clorox 2 or Purex 2
 - Boiling for 20 minutes

Safety:

- Check for allergies to mask material
- Do not fall asleep wearing mask
- Make sure you can breath through the mask

Filter options:

- 2 sheets of paper towel
- 100% cotton t-shirt
- Pillowcase
- Tea towel
- HEPA filter
- HVAC filter
- Vacuum bag
- Coffee filter

NOTE – filter should be replaced after each use
