

## **Call for Nominations: AAMC Group on Regional Medical Campuses (GRMC) Steering Committee**

The GRMC Steering Committee leads and represents its diverse membership around a common mission of supporting regional medical education. The Nominations Committee encourages nominations of individuals who are known to be broad thinkers, team players, and consensus builders from a variety of regional campus models.

Nominations are sought for individuals who will work to ensure that all GRMC members feel fully included and well served by the activities of the Group; champion efforts to promote the needs/interests of regional medical campuses; create pipelines to engage and connect with members; advocate for educational innovations, community health, physician workforce issues, and a rich research agenda; and develop the future of the GRMC.

Open positions are:

- 1 – Chair-elect
- 3 – Members-at-large

The term of the Chair-elect is for four years. One as Chair-elect, two as Chair, and one as Immediate Past Chair.

The terms of the Members-at-large are for two years and will begin at the Regional Medical Campus Conference in June, 2022 and conclude in the spring of 2024.

The Nominations Committee is seeking a diversity of individuals, institutions, programs, and expertise. All who are interested are encouraged to apply.
