Program Count by Participation Status 2

A quick view of the number of programs in the registration process. The sub-values with green or red indicators provide the percent change from the previous season.

Report Filters 3

Use filters to drill down into specific details for the report. Multiple filters may be selected at a time.

All Programs

This table displays a breakdown of your programs currently in ERAS and their registration status.

Hover over each column to reveal a '+' or '-' icon to drill down or drill up the +data for the Track Name, Track Type or MyERAS Display Status.

| Program Name | Track Name | Track Type | MyERAS St | Status | Cycle |
|-------------------------------|-------------|------------|-----------|---------------|-------|
| Albany Medical Center Program | Fellowship | Fellowship | Displayed | Participating | July |
| Albany Medical Center Program | Neonatology | Fellowship | Displayed | Participating | July |
| Albany Medical Center Program | Pulmonary | Fellowship | Displayed | Participating | July |
| Albany Medical Center Program | Geriatrics | Fellowship | Displayed | Participating | July |

Use the column sorter to sort the data in a particular column in ascending or descending alphabetical order.

Note: Programs that have closed are excluded from this report. Programs may have a closed status due to lack of funding, withdrawal from their accrediting body, or other reasons that have driven their program to cease operations.
