

00:45:44: PLEASE PLEASE PLEASE include COVID on the form.

00:45:48: Thank you!!!!

00:46:14: I agree

00:46:58: Agree. Our health services asked for this

00:47:52: Will the recording from the 16th be located on the AAMC website?

00:48:46: "Will the recording f..."

Yes, the recording of our student webinar will be posted on VSLO's page: <https://students-residents.aamc.org/visiting-student-learning-opportunities/visiting-student-learning-opportunities-vslo>.

00:49:08: Thank you.

00:57:16: Thank you

00:57:24: Great information!

00:58:27: How are schools handling students outside of their senior applying to schools. We have historically accepted students in their "senior" year, but we are seeing that students are completing cores earlier and seeking away rotations before progressing to MS4 year.

01:01:35: We do not accept anyone outside of their 4th year. That said our 4th year starts in April and not July. We follow our 4th year calendar.

01:03:59: Can I get our name corrected? you have us listed as Eastern Carolina and not East Carolina

01:04:19: ok

01:04:35: Can the standardized agreement be used with international medical schools?

01:04:41: Is there a list of participating institutions

01:05:33: krollpavichevich

01:06:33: Replying to "ok"

On the uniform agreement registry? Yes I will get you listed correctly.

01:08:08: Not answering because we didn't have a delay

01:08:25: We don't require affiliation agreements.

01:21:03: that is what we have in VSLO to the student asking them to give us the contact information

01:22:56: Yes, if they think they needed. It is not mandatory but available

01:24:22: I think that will be discipline specific

01:24:26: Replying to "Yes, if they think th..."

This is similar to our institution. It is available if needed, but not mandatory. Students can take a flex block to prepare and take Step 2.

01:24:31: Replying to "Yes, if thy think th..."

Us too, not mandatory but available

01:25:07: Starting this year we are allowing students to submit either Step 1 or 2 results.

01:25:24: we do not require Step 1 for 3rd year but must pass before 4th year and before they are eligible for away electives

01:25:37: I think Step 2 will get increased use in residency but not in visiting student electives as the school calendar are very different

01:25:56: Replying to "IF the UCTA is ever ..."

See FAQ 21 <https://www.aamc.org/media/23191/download?attachment>

01:25:59: Is the CK exam will still be a numerical score or will that become an pass/fail grade?

01:27:21: Replying to "Can the standardized..."

The UCTA was created with US institutions and US law in mind, so those terms might be overwhelming or not applicable to international medical schools. That said, there is no restriction on using the UCTA with international medical schools.

01:28:49: Replying to "My question is, if t..."

That sounds like a misuse of the uniform agreement. The changes should be captured in the Implementation Letter.

01:29:11: Same.

01:29:14: We make the determination by graduation year

01:30:19: Replying to "My question is, if t..."

I'll keep track and report to you if I see this happening.

01:31:37: But there's a box asking if the student is 4th year

01:31:49: We're at time and need to close down, everyone. Please consider putting your thoughts here in the chat before we wrap.

01:32:45: We only accept students entering or currently in their final year.

01:33:25: We only accept students entering or in 4th year with a passing step 1 score

01:33:41: We are a 3 year accelerated school so students would not have a 4th year - 3rd year is their senior year and will have completed core clerkships

01:34:45: Language should be clear to both host and home school if student is "advanced standing"

01:34:51: Upcoming meetings:

CGSA/SGSA/COSR/SOSR – March 30 – April 1 - Kansas City, MO.

Starts 3/30, 12 pm - ends 4/1, 12:15 pm

- WGSa/WGEA/WOSR – April 14-17, Honolulu, Hawaii.
4/14 – pre-conference day, 4/15 full conference day/poster session, 4/16 – full conference day , ends 4/17 at noon

- NEGSA/NEOSR – April 21 - 23 ,Philadelphia, PA
Starts 4/21, 2:00 PM – ends 4/23, 1:00 PM

01:35:04: Has VSLO fixed the gmail issue? Our institution will not make adjustments because it is an outside problem.
