01:22:06: Thank you Julie!

01:34:35: So interest starts accruing again July 1 - what happens to the Direct Unsub accrual at the time of repayment if it's not capitalizing? I'm not sure I understand. Thanks.

01:35:37: What are schools doing since we will no longer be able to gather parent information on the FAFSA starting 2425? This is an important measure for institutional aid need since most of our students have a 0 EFC.

01:35:53: Thanks Julie!

01:35:58: \*correction 2324

01:36:14: CSS Profile!

01:36:21: Will AAMC work with ADEA to lobby for parent info to continue to be collected

01:36:22: Profile

01:37:14: I think they may be a simplified profile to come out too.

01:37:14: We are going to start looking at PELL LEU for need assessments.

01:37:17: At Colorado SOM, we use Pell LEU info the ISIR.

01:37:47: We use our own app and will be looking at how we subtract from AGI for siblings in school and other issues.

01:37:51: HRSA was made aware of this, but not sure what they are doing. Maybe working w/ them

01:38:06: Yes, interested in HRSA

01:38:23: We built our own application to gather similar info regarding CSS Profile

01:38:36: College Board is piloting a "CSS Profile Light" which will offer fewer questions for students and parents to fill in.

01:38:45: Unfortunately, HRSA won't be able to change the FAFSA. HRSA is checking to see if it would be required for the HRSA aid.

01:41:42: Running to the next meeting. Thanks to you all.

01:42:16: Thank you!

01:42:35: Great session see you in NO
