Dear Chairman Aderholt:

The Health Professions and Nursing Education Coalition (HPNEC) respectfully requests an opportunity to testify at the subcommittee's March 23, 2023, public witness hearing on the FY 2024 appropriations.

HPNEC is an alliance of over 93 national organizations representing a variety of schools, programs, health professionals, and students dedicated to training the health care workforce. Together they advocate for funding and increased support for the Health Resources and Services Administration (HRSA) Title VII and VIII programs.

Thank you for your consideration this request.
