

# EASTERN AFRICA REGIONAL FORUM 2022

March 29 – 30  
Nairobi, Kenya

## PRELIMINARY AGENDA

### *Eastern Africa Regional Forum 2022*

AAHCI Eastern Africa Regional Office host, Aga Khan University ([AKU](#)) is co-organizing this regional forum, to bring together leaders in the region to explore opportunities to utilize the collaborative strength of academic healthcare institutions more effectively. The main objective will be to develop a common agenda that the AAHC/I can implement through the regional office and members. This forum will allow members to explore how best to cultivate a true working partnership to achieve our visions in medical education, research, and health services. Outcomes of the meeting will include a blueprint of AAHCI Eastern Africa's activities over the next 2-3 years.

The forum will also be an opportunity for the participants to meet and engage with AAHCI staff members, who will be in attendance.

## Location and Accommodation
