The table below displays the self-identified racial and ethnic characteristics of applicants to U.S. medical schools.* The "Multiple Race/Ethnicity" category includes those who selected more than one race/ethnicity response. Please email us at datarequest@aamc.org if you need further assistance or have additional inquiries.

* In 2013, the methodology for acquiring race/ethnicity information was updated. Rather than one question asking an applicant's Hispanic origin and a second question asking the applicant's race, the Hispanic origin and race response options are now listed together under a single question about how applicants self-identify. Applicants could select multiple response options.
