<sup>1</sup> In 2013, the methodology for acquiring race/ethnicity information was updated. Rather than one question asking an applicant's Hispanic origin and a second question asking the applicant's race, the Hispanic origin and race response options are now listed together under a single question about how applicants self-identify. Applicants could select multiple response options.

<sup>2</sup> The "Non-U.S. Citizen and Non-Permanent Resident" category may include students with unknown citizenship.
