Total M.D.-Ph.D. Matriculants		1	137	26	33	1	308	11	37	58	14	626

* In 2013, the methodology for acquiring race/ethnicity information was updated. Rather than one question asking an applicant's Hispanic origin and a second question asking the applicant's race, the Hispanic origin and race response options are now listed together under a single question about how applicants self-identify. Applicants could select multiple response options.

** State of Legal Residence is not necessarily based on citizenship.
