University of Minnesota-Twin Cities, Minneapolis, MN	52	309	0.4
University of Rochester, Rochester, NY	52	173	0.4

Note: In 2013-2014, the methodology for acquiring race/ethnicity information was updated. Rather than one question asking an applicant's Hispanic origin and a second question asking the applicant's race, the Hispanic origin and race response options are now listed together under a single question about how applicants self-identify. Applicants could select multiple response options.
