*During the 2016 application cycle, a technical malfunction in the collection of race/ethnicity data necessitated a request that applicants review and re-submit responses to the race/ethnicity question in their AMCAS applications. No applicants were asked to review this question prior to or after 2016.

Notes: The "Non-U.S. Citizen and Non-Permanent Resident" category may include students with unknown citizenship.

Each academic year includes acceptees that applied to enter medical school in the fall of the given year. For example, academic year 2019-2020 represents the acceptees that applied to enter medical school during the 2019 application cycle.
