

Table C-5: Residency Applicants from U.S. MD-Granting Medical Schools to ACGME-Accredited Programs by Specialty and Race/Ethnicity, 2019-2020

The table below displays the self-identified racial and ethnic characteristics of U.S. MD-granting medical school residency applicants to ACGME-accredited residency programs of the corresponding specialty. The "Multiple Race/Ethnicity" category includes those who selected more than one race/ethnicity response. The academic year refers to residency training that begins in 2019-2020. Please email datarequest@aamc.org if you need further assistance or have additional inquiries.
