Table A-2.2: Undergraduate Institutions Supplying 5 or More American Indian or Alaska Native Applicants to U.S. Medical Schools, 2016-2017

The table below displays the self-identified racial and ethnic characteristics of applicants to U.S. medical schools in 2016-2017* from select undergraduate institutions. The race/ethnicity may include any other race or ethnicity responses. Please email us at datarequest@aamc.org if you need further assistance or have additional inquiries.

Undergraduate Institution	American Indian or Alaska Native Applicants from the Institution	Total Applicants from the Institution	% of All American Indian or Alaska Native Applicants to U.S. Medical Schools
University of Oklahoma Norman Campus, Norman, OK	21	243	3.8
University of New Mexico-Main Campus, Albuquerque, NM	14	206	2.5
University of Arizona, Tucson, AZ	13	406	2.4
Oklahoma State University-Main Campus, Stillwater, OK	12	76	2.2
University of California-Berkeley, Berkeley, CA	10	819	1.8
University of Florida, Gainesville, FL	10	854	1.8
University of Texas at Austin, Austin, TX	10	756	1.8
Brigham Young University, Provo, UT	8	426	1.4
University of California-Davis, Davis, CA	8	469	1.4
Dartmouth College, Hanover, NH	7	156	1.3
The University of Alabama, Tuscaloosa, AL	6	225	1.1
University of Michigan-Ann Arbor, Ann Arbor, MI	6	781	1.1
University of North Carolina at Chapel Hill, Chapel Hill, NC	6	453	1.1
University of Wisconsin-Madison, Madison, WI	6	439	1.1
Vanderbilt University, Nashville, TN	6	280	1.1
Harvard University, Cambridge, MA	5	265	0.9
Stanford University, Stanford, CA	5	294	0.9
The Ohio State University Main Campus, Columbus, OH	5	502	0.9
University of Tulsa, Tulsa, OK	5	34	0.9
University of Washington, Seattle, WA	5	471	0.9

^{*}During the 2016 application cycle, a technical malfunction in the collection of race/ethnicity data necessitated a request that applicants review and re-submit responses to the race/ethnicity question in their AMCAS applications. Applicants in previous years were not asked to review responses to this question.
