The table below displays the self-identified racial and ethnic characteristics of U.S. D.O.-granting medical school residency applicants in 2016-2017 by specialty. The academic year refers to residency training that begins in 2016-2017. The "Multiple Race/Ethnicity" category includes those who selected more than one race/ethnicity response. Please email us at datarequest@aamc.org if you need further assistance or have additional inquiries.
