# Impact of the VA on Health Education and Health Outcomes for the U.S.

**70% of the  
physicians in the  
U.S. have received  
training at VA**

- >122,000 health professions trainees (HPTs) participated in programs offered through partnerships between 153 VA medical facilities and >1450 academic institutions.
- 95% of the nation's medical schools, including 151 of 159 LCME-accredited allopathic schools and 39 of 42 COCA-accredited osteopathic medical schools, are affiliated with VA.

# Recommendations for Non-citizens to Obtain SSN

1. Engage with your Office of International Services (OIS) to guide non-citizens on when to obtain a SSN. If attempted too early, this may actually cause a delay.
2. Generally, **11 business days** from the date the J-1 visa holder arrives (I-94 entry date)
3. The below information comes directly from ECFMG's website:

<https://www.ecfm.org/evsp/applying-pre-arrival.html>

*NOTE: SEVIS\* validation is required to apply for a U.S. Social Security Number (SSN); J-1 physicians must wait 11 business days after being validated in SEVIS before applying for an SSN. Validation status can be confirmed in OASIS. Validated records are marked “active.” On the Social Security Card application, at the question about “citizenship,” J-1 physicians should select “other.”*

*After ECFMG validates the record and 10 days has passed since the J-1's arrival in the U.S., they should be good to apply for the SSN. However, if they go earlier, they do run the risk of possible delays.*

\*Student and Exchange Visitor Information System (SEVIS)

# Best Practices and Mitigation Strategies

- New security clearance process
- **Recommendations**
- Maintenance of VA accounts

# Institutional and Program Preparation

1. Engage **NOW** with the DEO/ACOS of Education at your local VA
2. Strongly encourage **DEO Office to have weekly meetings with PERSEC**
  - Common Errors with SF85s – communicated to Affiliate
  - Challenges with clearances or incomplete SF85 list (DEO not in process otherwise)
3. Provide efficient and accurate SSN processes to Non-Citizens and convey importance of timely follow-through
  - Start process as soon as possible because SSN required to start clearance
  - Engage with your Office of International Services on the best time to apply for SSN and a communication plan with non-citizens.
  - Plan a **minimum of 60 days from SSN issuance** to start date at VA
  - Take this into consideration when building rotation schedules
4. Ensure accurate TQCVL is submitted.
  - Highlight non-citizens

## Data from UT Health San Antonio and VISN 17

- **83% (N=199) have completed initial onboarding forms**
  - VA APDS system, MTT, Enrollment Appointment Completed
- **17% not complete, No Action (5%, N=12, No SSN), Form Correction Pending (2%, N=6), Pending Enrollment Appt (7%, N=17), Other**

## Data from UT Health San Antonio and VISN 17

- **62% (N=154)** have been “scheduled,” accepted by PerSec in VA
  - After background check scheduled, onboarding process continues
- **21% (N=51) Tier 1 eAPP pending acceptance**
  - Only 4-5 pending corrections from applicant
- **17% have not completed eAPP**

# NRMP Requirements

## Update Applicant Acknowledgement Processes/Forms

A cornerstone of the NRMP's Match Participation Agreements is the required disclosure of complete, timely, and accurate information. For programs specifically that includes institutional policies regarding eligibility for appointment, such as, but not limited to,

- Expected or required academic, educational, or prior training credentials;
- Pre-employment drug testing and background check; and
- Information relevant to licensure status or visa status.

The Match Participation Agreement mandates that such information be provided to all interviewed applicants prior to the published Rank Order List (ROL) deadline for the Main Match and all fellowship Matches. For applicants, this ensures they have the information necessary to know what each program requires to consider them eligible for training.

# Educate Applicants of VA Requirements during Interview Season

## Update Applicant Acknowledgement Processes/Forms

- Policies, contracts, benefits, training permits, and requirements to train at your institution and successfully complete all required clinical experiences
- VA is under federal jurisdiction and you must abide by federal law

## Am I Eligible?

### Checklist for Health Professions Trainees (HPTs) Training at VA Facilities

The Department of Veterans Affairs (VA) must follow all federal statutes, Equal Employment Opportunity, Affirmative Action policies and approved VA regulations interim and final rulings. The Veterans Health Administration (VHA)/Office of Academic Affiliations (OAA) oversees clinical health professions training programs. To participate in training at a VA, an HPT will receive a not to exceed (NTE), temporary federal appointment. Prior to receiving an appointment, HPTs must meet all federal eligibility requirements. HPTs unable to meet all requirements will not be permitted to train at VA. HPTs will be asked to show documented proof for each eligibility requirement identified below and must maintain eligibility for the duration of the VA appointment.

Met	Requirement	Description of Eligibility Requirement	Name:
<input type="checkbox"/>	US Citizenship or Documented Immigrant, Non-Immigrant or Exchange Visitor	HPTs who anticipate receiving direct VA-pay (direct VA-paid by bank deposit, VA paycheck) must be citizens of the United States (US). Non-US citizen HPTs will be eligible to receive a without compensation (WOC) appointment if legally able to live and work in the US. Proof will be current immigrant, non-immigrant, or exchange visitor documentation.	
<input type="checkbox"/>	US Social Security Number	All HPTs must have a US social security number (SSN) prior to beginning the VA pre-employment, onboarding process. Do not fingerprint or complete paperwork until an SSN has been issued. HPTs not eligible to apply for an SSN will not be permitted to train at VA.	
<input type="checkbox"/>	US Selective Service System Registration	Federal law requires that most males living in the US between the ages of 18 and 26 register with the Selective Service System (SSS). Male, for this purpose, is any individual born male on their birth certificate regardless of current gender. Males required to register, but who fail to do so by their 26th birthday, may be ineligible for VA appointment. Visit <a href="https://www.sss.gov">https://www.sss.gov</a> to register, print proof of registration or obtain a Status Information Letter.	
<input type="checkbox"/>	Proof of Identity	Onboarding requires two source identification documents (IDs) to prove identity. Documents must be unexpired and names on both documents must match. For more information visit: <a href="#">OICAM ID Matrix</a> . States have begun issuing Secure Driver's Licenses. Be sure yours will be accepted as a Real ID <a href="https://www.dhs.gov/real-id">https://www.dhs.gov/real-id</a> .	
<input type="checkbox"/>	National Practitioner Data Bank (NPDB)	HPTs who are currently licensed, or who previously held a license in the same or a different discipline, must be screened against the NPDB. Visit the site to perform a self-query and confirm you are eligible for VA appointment. <a href="https://www.npdb.hrsa.gov/">https://www.npdb.hrsa.gov/</a>	
<input type="checkbox"/>	List of Excluded Individuals and Entities (LEIE)	The Department of Health and Human Services Office of the Inspector General has compiled a list of individuals excluded from participation in Medicare, Medicaid, and all other Federal healthcare programs. Visit the site to confirm you are <b>NOT</b> on this list <a href="https://exclusions.oig.hhs.gov/">https://exclusions.oig.hhs.gov/</a> .	
<input type="checkbox"/>	Health Requirements	As a condition of appointment, HPTs must: furnish evidence or a self-certification that they are physically and mentally fit to perform the essential functions of the training program have up-to-date vaccinations for healthcare workers as recommended by the Centers for Disease Control (CDC) <a href="https://www.cdc.gov/vaccines-adults/recommended-vaccines/index.html">https://www.cdc.gov/vaccines-adults/recommended-vaccines/index.html</a> and have undergone baseline tuberculosis (TB) screening and testing per CDC health care personnel guidelines (for direct VA-paid HPTs, this means within 90-days of Offer and Acceptance.) <a href="https://www.cdc.gov/tb/topic/testing/healthcareworkers.htm">https://www.cdc.gov/tb/topic/testing/healthcareworkers.htm</a>	
<input type="checkbox"/>	Fingerprint Screening and Background Investigation	HPTs will be fingerprinted and undergo screenings and background investigations. A VA Human Resources Security Specialist will determine suitability. Additional details can be found here: <a href="http://www.archives.gov/federal-register/codification/executive-order/10450.html">http://www.archives.gov/federal-register/codification/executive-order/10450.html</a>	
<input type="checkbox"/>	VA Onboarding Forms	Additional pre-employment forms include the: Application for Health Professions Trainees (VA 10-2850D) Declaration for Federal Employment (OF 306) HPT Random Drug Testing Notification and Acknowledgement memo (see below) These documents, and others, are available online for review at <a href="https://www.va.gov/oaa/hpt-eligibility.asp">https://www.va.gov/oaa/hpt-eligibility.asp</a> . Falsifying any answer on any Federal document will result in the inability to appoint or immediate dismissal from the VA.	
<input type="checkbox"/>	Drug-Free Workplace	HPTs are not drug-tested prior to receiving an appointment; however certain HPTs are subject to random drug testing throughout the entire VA appointment period. HPTs sign an acknowledgement form stating awareness of this practice (see form in the link above).

# Required Form for Applicants (Those Interviewed)

## Acknowledgement of GME Information [Form 2.1.2.1(a)]

### Participating Sites

Failure to be able to rotate at a major teaching location will, in most cases, result in a revocation of an offer to train, termination, or non-renewal of your GME Agreement. (Per NRMP protocol as applicable) Please ensure you meet the eligibility requirements for each training site to include vaccination requirements of each training site.

I understand that if my program has a rotation at South Texas Veteran Health Care System (STVHCS), I have reviewed and will meet the eligibility requirements found at the following sites: [https://www.va.gov/OAA/docs/Am\\_I\\_Eligible\\_v5.pdf](https://www.va.gov/OAA/docs/Am_I_Eligible_v5.pdf)  
STVHSC does not offer vaccination accommodations; a separate security clearance is required to train at the VA. Read the following for more on security clearance information: <https://www.nrmp.org/wp-content/uploads/2024/11/6-Essential-Questions-Tier-1-Background-Investigation-09.05.24-1.pdf>. For NRMP matches, please review the following: <https://www.nrmp.org/about/news/2024/11/nrmp-statement-on-match-policy-and-resident-security-and-background-clearance-protocols-for-veterans-affairs/>

# GME Agreements (contracts)

## THE UNIVERSITY OF TEXAS HEALTH SCIENCE CENTER AT SAN ANTONIO UNIVERSITY HEALTH

### GRADUATE MEDICAL EDUCATION AGREEMENT

Ensure GME Contracts/Agreements acknowledge the impact of failing to meet training site requirements (i.e., breach of contract, etc.)

*“Resident’s appointment tied to:*

*(a) Meets all eligibility requirements for Sponsoring Institution and each participating facility’s training program;”*

3.03 The Resident hereby commits to provide quality medical care commensurate with his/her level of training and to be bound by all UT HEALTH SA policies and rules and regulations that relate to his/her activities as a resident.

(a) For initial entry into the program the Resident must satisfy the following requirements:

(7) successful outcome of Veteran’s Administration security clearance (if applicable).

# Best Practices and Mitigation Strategies

- New security clearance process
- Recommendations
- **Maintenance of VA accounts**

# Staying Connected

## Best Practices to Maintain Accounts

### Use remote access to sign in at least every 30 days

- Prepare for VA plans to change the protocol so accounts are deactivated after 30 days of inactivity
- Request remote access through VA (Health Professions Education team and IT)
- Obtain PIV card readers and install Citrix Access Gateway (CAG) for remote access
- Make PIV card readers and CAG readily available
  - Common resident areas (work stations, lounges)
  - Didactics

# **Staying Connected**

## **Best Practices to Maintain Accounts**

### **Notifications for Mandatory Training for Trainees status**

- Can set supervisor to VA Site Director for alerts of pending expiration
- Work with VA Site Director, Education team, and Training (TMS) managers

### **VA Site Directors / Affiliate Program Coordinates use a “two-week checklist”**

- Account deactivation issues should be solved within 2 weeks
- Check in a minimum of 2-4 weeks ahead of a VA rotation to ensure day-one readiness
- Should strive to log in every 30 days though in case of last-minute coverage

**LOCK your VA Access so you don't lose it!!**

**Login every 30 days.**

**Once a year, do your Mandatory Training**

**Check your account 2 weeks prior to your VA rotation.**

**Know your PIV expiration date.**

**REMEMBER: Logging in once every 30 days from either a remote access point or the VA will keep you in the system!**

**Two Weeks Prior to Rotation or Call Day:**

- ☐ Check your expiration date on your PIV badge. If it is within 90 days of expiration, please let the Education Service know by calling us at (XXX) XXX-XXXX. If you don't have a PIV badge, now is the time to let us know as well.
- ☐ Come to the VA or use remote access to try to login with your PIV badge. If your account is disabled, you may need to be at the VA to troubleshoot.
- ☐ Make sure you've done your mandatory training refresher course.
- ☐ Refer to the link – Health Professions Trainees – How to Connect at VA (QR code) [Replace with your site's info/QR]. This document addresses common reasons for accounts to become inactive, including delinquent training. **Most issues can be solved by calling the Help Desk at (855) 673-4357.**
  1. **Ask for your account to be activated.**
  2. **Request that all dis-user flags be removed.**
  3. **Request a PIV exemption (if you don't have a PIV badge).**
- ☐ After you login, if you are still having issues with Microsoft apps (Teams, Outlook), you will need to place a YourIT Ticket. The easiest way to do this is to go to the Microsoft Edge browser while you're logged in to the VA → VA Bookmarks Folder (Top Left) → National → O365 License Request. It will populate a YourIT ticket with your information. Press "Order Now" to resolve the issue.
- ☐ Our office can help with remote access. [The Education Service provides card readers to all resident physicians upon request. – facility dependent\*]

Usually once your account is enabled, you **only have 24 hours to login** without having to call the Help Desk again.

## HOW TO GET & STAY CONNECTED AT THE VA

### Delinquent mandatory TMS training?

- Ensure your TMS training is completed before the due date. Delinquent training will cause your accounts to be disabled. **Training must be completed ANNUALLY.**
- Check your TMS training at [VA TMS 2.0](#) from **any device**. The only training you're required to complete is the **Mandatory Training for Trainees (MTT)** or the **Refresher course**.
- Once training is complete, call the ENTERPRISE SERVICE DESK (ESD) at 855-673-4357, opt 2 to enable your account if disabled.

### Did you complete your initial CPRS/VISTA login within 30 days of receiving access codes?

- Users must log in within 30 days (**preferably 21 days**) of receiving access codes or your accounts will become dis-used.
- If you did not initially log in, please contact the ESD at 855-673-4357, opt 2 to have your account reactivated and any dis-used flags removed.

### Has it been a while since you've last logged into the VA network?

- Users must log into the VA Network every 30 days or your accounts will be disabled; call ESD at 855-673-4357, opt 2 to re-activate your accounts. For Microsoft applications, including TEAMS, go to [Microsoft Office 365 - VA ServicePortal v2](#) on a VA computer to request access, push "order now." It should be resolved within an hour.

### Need Remote Access?

- You must request access from a VA computer; please go to [facility-specific link or guidance] for Remote Access Instructions
- PIV card readers and computers are available in the [facility-specific/dependent]

### Is your PIV expiring soon or need a PIV exemption?

- Please get with our office 90 days prior to the expiration date for renewal.
- If you are awaiting a PIV badge pick up appt and require access, call the ESD at 855-673-4357, opt 2 to request a PIV exemption

**For questions or assistance, call a VA HPT Specialist at (XXX) XXX-XXXX or email the team at [facility-specific email].**
