

Explore the: **Visiting Student Learning Opportunities™ (VSLO®) program**

The VSLO program helps medical and public health students connect with institutions offering short-term elective opportunities that can enhance their medical education.

How will the VSLO program benefit your institution?

- Simplify management and application processing.
- Offers a dynamic online platform with expanded search options.
- Provides training and support for institutional and student users.
- Manages mobility among existing partner institutions.
- Increases offerings of vetted U.S. and international electives.
- Engages program directors, advisors, and leadership.
- Expands input on best practices in the visiting student experience.
- Provides access to AAMC and partner organization perspectives.

Streamline the away rotation application process with the VSLO program.
