PHM Personal Statement Form

Please answer each of the following questions in paragraph form. A strong answer to each question will be as detailed as possible, including when discussing goals or potential plans for fellowship. Program Directors will not hold you to answers on future work or planned goals at the start of fellowship.

1. What are 1-2 specific goals you have for PHM fellowship, and how would completing those goals contribute to your career growth over the next 5-10 years? (max 250 words)

2. If you could complete any scholarly project during fellowship, what would it be and why? (max 250 words)

3. Tell us about a unique experience, ability, or skill that you will bring to a PHM fellowship program, especially including any gap-year experiences or things that may not be mentioned in your application or CV. (max 250 words)
