

**Table D: Department Chairs by Medical School, Department Type, and Sex, 2020**

The table below displays the number of permanent, interim, and acting department chairs at all U.S. medical schools as of December 31, 2020 by medical school, department type, and sex. In order to provide unduplicated counts of chairs, the table shows the most recent chair appointment for an individual that was open on December 31, 2020. As a result, individuals who held chair appointments in multiple departments simultaneously are only counted once.
