

COALITION *for* HEALTH FUNDING

THE AD HOC GROUP FOR MEDICAL RESEARCH

The Ad Hoc Group for Medical Research and Coalition for Health Funding invite you to please join us for a virtual briefing series for Congressional staff and coalition members.

Medical Research & COVID-19: Updates from NIH's Institutes & Centers

NIH-supported medical research across country is a key tool in battling COVID-19 and its wide-ranging effects. This series will feature discussions with directors of NIH's institutes and centers about how research to date and ongoing work can inform our response to the virus, as well as the impact the pandemic is having on existing research across the agency's broad portfolio.

The **National Heart, Lung, and Blood Institute (NHLBI)** provides global leadership for a research, training, and education program to promote the prevention and treatment of heart, lung, and blood disorders and enhance the health of all individuals so that they can live longer and more fulfilling lives. Please join us for a virtual briefing with NHLBI Director Gary Gibbons, MD on Tuesday, October 20.

National Heart, Lung, and Blood Institute

Date: Tuesday, October 20, 2020, 10:30am EST

Guest speaker: Gary Gibbons, MD, Director, NHLBI

RSVP: To receive Zoom information, please [register here](#) by Monday, October 19.

This briefing series is co-hosted by the [Ad Hoc Group for Medical Research](#), a coalition of more than 330 patient and voluntary health groups, medical and scientific societies, academic and research organizations, and industry that support enhancing the federal investment in the biomedical, behavioral, and population-based research conducted and supported by the NIH, and the [Coalition for Health Funding](#), the oldest and largest nonprofit alliance working to preserve and strengthen public health investments in the best interest of all Americans with member organizations representing more than 100 million patients and consumers, health providers, professionals, and researchers.
