AAMC Mission Statement
Our Strategy

Mission
The AAMC mission defines why we exist as an organization.

Areas of Impact
The AAMC works within and across medical education, care delivery, research, and diversity and inclusion to achieve impact with and for our members.

Impact Strategy
The AAMC has four strategic portfolios through which we prioritize our work and focus our attention.

Operational Strategy
To have impact and fulfill our mission, the AAMC must be a high-performing organization. We have four domains of focus for operational excellence.
