ASSOCIATION OF AMERICAN MEDICAL COLLEGES.

SECRETARY'S OFFICE.

Chicago, April 20, 1899.

W. H. Welsh, LL. D., Dean,  
John Hopkins Medical School,  
Maltimore, Md.

My dear Sir:-

I enclose herewith a bill for the dues in the Association of American Medical Colleges for the year 1899-1900.

The next meeting will be held at Columbus, O., beginning the morning of Monday, June 5th. The business session will begin at 3 o'clock the same day. The most important matters will come up for consideration at that time. A program of the meeting will be mailed you from the place of publication, not later than May 1st.

This meeting is probably the most important in the history of the association as the efficiency of the resolution passed by the American Medical Association at its last Denver meeting, in relation to the standing of the colleges of low degree, will then be considered.

Hoping that you will do all that you can to increase the membership of this association and sustain the four years' requirement, I am

Very truly,

*Bayard Holmes, M.D.*
