The meeting was called to order by Dr. Sprague at 7:45 A.M.

II. Consideration of Minutes of September 16, 1969 Meeting

The minutes of the meeting of September 16 were accepted without change.

III. Organization of Regional Meetings

Members agreed with the suggestion from the recent "Retreat" (attended by the President, some members of the Staff, and the Chairmen and Chairmen-Elect of the Assembly and the three Councils) that regional meetings should be meetings of the respective Councils. Concurrent meetings of Councils would be by mutual agreement of the Councils.

IV. Nursing

There was discussion about appropriate relationships of nurses to the AAMC, and how one would obtain representative participation. Recent changes in nursing organizations and the formation of an Association of Schools of Nursing were discussed. It was agreed that the latter organization could offer an important method of liaison with the nursing activities most related to the interests of the AAMC. Mr. Danielson will furnish members of the Administrative Board with copies of a report from the National Commission on Nursing.

ACTION: On motion, seconded and carried, members agreed that a one-day meeting of a small group of AAMC officials and nursing representatives be held to examine relationships of nurses to the AAMC.

V. Nominating Committee

The newly adopted Bylaws of the COD calls for the election of a member-at-large to serve on the Administrative Board. Accordingly, an ad hoc committee was
appointed; the committee will consist of: Richard Egan, Harold Wiggers, Randolph Batson, Clifford Grobstein and Edward Andrews, chairman.

VI. Dates of Future Meetings

Meetings of the COD during 1970 will be February 6, May 21, and at the October-November Annual Meeting. The next meeting of the Administrative Board will be February 6.

VII. February Agenda Items

Mr. Danielson will bring the group up to date on negotiations with SSA regarding Medicare, and Dr. Chapman will report on the federal scene. An effort will be made to get Dr. Roger Egeberg, Assistant Secretary of HEW, to give an off-the-record overview talk to the Administrative Board and perhaps to talk to the Assembly as well.

VIII. Adjournment

The meeting was adjourned at 9:15 A.M.
